

## Murder Mystery Dinner Thank You

We, the Board of Directors of the Mora Area Chamber, would like to thank everyone who participated in our 2011 Murder Mystery Dinner Theatre Fundraiser. We hope that all of you who attended enjoyed the evening. A special thank you

goes out to those individuals and businesses who gave so generously, items to the silent auction, along with those who purchased these fine items. Without you, our event wouldn't succeed. You are

truly appreciated. This year, we raised over \$3000.00. This money will be used for the chamber's scholarship funds as well as put towards our community fund - going back into our community.

We especially want to thank the wonderful cast, busy assistants, the Grand Event Center staff, the Mora High School for allowing us to use their sound equipment, and our director, Ben Rossow. It took an exorbitant amount of dedication and time to prepare and then finally make the whole night happen. Thanks to you all, we had a successful event.

Plans are in place for our 2012 show. Mark your calendars for another fun Mora Area Chamber Murder Mystery to be held on March 10th, 2012 at the Grand Event Center!

### Commemorative Mugs Available!

If any of you who attended the Murder Mystery Dinner Theatre did not pick up the commemorative 2011 mug, we still have a few available for sale. The cost is \$15 and they are available at the chamber office, Dandelion Floral & Gifts and at P.D.'s Embroidery! Please support the chamber and get a great substantial mug too!

## The Grand Casino Hinckley & Cabela's Support the 2011 Kanabec Sportsman's Fair

We are pleased to announce that after some long deliberation, the 2011 Kanabec Sportsmen's Fair is ON. In dire need of sponsorships to fund the fair in particular, to cover the cost of the sanctioned Dock Dogs Northern Stars competition, the Chamber solicited the Grand Casino Hinckley and they obliged. We couldn't be happier as they have given us \$2500.00 to help cover the \$3500.00 payment to the DDNS. We have also been notified that Cabela's will donate a \$500.00 gift card that we will be raffling off. We feel that our efforts to bring this event to our area is being looked at very seriously by these two fine organizations. Their faith in the event and their desire to see it succeed is shown in their financial backing.

event will be sanctioned - meaning it will be a much more competitive, broader competition. We expect folks to come from all over the five state area to participate - possibly even further. We are so excited to be hosting this at our 2011 Kanabec Sportsmen's Fair - along with all of the other great events that were held last year. The dates are August 27th and 28th, 2011 again, in Mora.

If you are interested in seeing this event grow, let us discuss with you how your business or organization can help in the success of the Sportsmen's Fair. We are offering a variety of sponsorship packages that we'd be pleased to discuss with you.

This year's Dock Dogs Northern Stars

## New Chamber Cash

The Chamber's Chamber Cash has a new design. As of April 1st, the old chamber cash will be phased out. Here you see the new design. In order to keep controlled records of the amount of Chamber Cash available as well as making it forgery proof, we are starting fresh with a new design. So, we're asking that if you have chamber cash, please spend it before March 31st so that we can start off with a clean slate! Thank you!

As a Member of the Mora Area Chamber of Commerce you are cordially invited to March's

*Evening Tour & Networking Meeting*

Casual mingling with your fellow Chamber members, refreshments, tour and Q & A. Be among the first to see the latest in technology!

**FirstLight**  
HEALTH SYSTEM

Thursday, March 10  
5:30 p.m.

at  
**FirstLight**  
Health System  
(Enter through main Hospital entrance)

You are cordially invited to a reception to view FirstLight Health System's newly redesigned Radiology Department. This is an opportunity to view the latest in imaging advances and new technologies. The entire Imaging Department has been remodeled and reconfigured, making the new space more private, spacious and tranquil. Enormous advances and additions were added to the department, including digital mammography, an in-house MRI, a new 64-slice CT scanner and in-house nuclear medicine. FirstLight Health System is committed to providing the highest level of patient care; we look forward to showcasing our latest advances. Hosted by FirstLight Health Systems and the Mora Area Chamber of Commerce 320-679-5792
